Inspections not performed on the day requested will be rescheduled for the next business day. In addition, the following areas continue to have a reduced inspection schedule as follows:

- |                                       |                                 |
|---------------------------------------|---------------------------------|
| ▪ California Valley area              | Wednesday only                  |
| ▪ Nacimiento Lake (Running Dear area) | Tuesday and Thursday only       |
| ▪ Heritage Ranch & Oak Shores         | Monday, Wednesday & Friday only |
| ▪ Cuyama area                         | Wednesday only                  |

Inspections in other areas of the county will occur on Monday through Friday, but are no longer guaranteed to be completed within 24 hours of the request.
